UTS SALES AND REPAIRS

Aluminium Access Products Manufacturer

UTS Sales and Repair Ltd is an independent Kent based Manufacturer of Aluminium Access Equipment.

Our Industrial Towers and PAS250 Podiums are BSI Kitemarked and we also manufacture a Stairwell Tower, Fold Out Tower and The UTS One – A One Man Industrial Tower.

Our core business values are: Always delivering on time and to specification with unrivalled quality, service and price.

**We manufacture every
one of our products
right here in the UK
within our **20,000 sq ft**
Manufacturing facility.**

- Takes 15 minutes to erect

There are 4 different platform heights available
1.1m, 2.1m, 3.1m, 4.1m

REPAIRS

Our repair centre is based in a 26,000sqft facility in Herne Bay.

We keep this completely separate from our manufacturing facility ensuring your items are collected, repaired and returned to you on time, every time.

All of our repairs are completed under our ISO 9001:2008 giving you a quality guarantee.

Our prices are unrivalled and all repairs come with a 1 year warranty. We can repair all types of aluminium access equipment and provide a service to a range of users from local hire companies to the nationwide hire companies.

We repair podium steps, frames, braces, platforms, stabilisers and staging boards.
